**FOR IMMEDIATE RELEASE**

**HPI NAMED TO HOUSTON'S TOP 100 PRIVATE COMPANIES LIST FOR THIRD CONSECUTIVE YEAR**

**HOUSTON** (June 24, 2014) – HPI, one of the turbo machinery industry's leading providers of customized turbine solutions and services, announced today that the company has been named to Houston's Top 100 Private Companies List.

Compiled annually by the *Houston Chronicle*, the Top 100 Private Companies List is based on annual revenue, and recognizes businesses across numerous industries including: energy, real estate, distribution and logistics, hospitality and construction.

This year, the company rose two spots over 2013 to rank 62<sup>nd</sup>. The company ranked 70<sup>th</sup> in 2012.

HPI President and CEO, Hal Pontez, is pleased to see the company retaining its position among Houston's best.

"I am thrilled to see HPI recognized for a third year by the Houston Chronicle. Through the hard work and dedication of our employees, HPI has proven itself to be a customer-focused, quality driven organization. With the support of our loyal customers we will retain this legacy as we look to provide services beyond turbomachinery controls, and expand our offerings within engineering, procurement and construction services for turnkey power plants and turbine maintenance, repair and overhaul services."

**About HPI**

HPI is one of the turbo machinery industry's leading providers of customized turbine solutions and services. Founded in 2002, the company offers engineering, procurement and construction (EPC) of turn-key power plants; maintenance, repair and overhaul (MRO) and mechanical field services in addition to custom controls. Expanding upon its original business model, the company is also a qualified provider of turbine refurbishment solutions in the nuclear and marine vertical markets.

For 13 years, HPI has continued to grow at a rate of 200% annually, landing the company on the Houston Business Journal's Fast Tech 50 for four consecutive years and the Houston Chronicle's "Leading Companies" lists since 2012.
