FOR IMMEDIATE RELEASE

HPI NAMED TO HOUSTON'S TOP 100 PRIVATE COMPANIES LIST FOR FOURTH CONSECUTIVE YEAR

HOUSTON (June 22, 2015) – HPI, an international provider of customized turbine solutions and services, announced today that the company has been named to Houston's Top 100 Private Companies List for the fourth consecutive year.

Compiled annually by the *Houston Chronicle*, the Top 100 Private Companies List is based on annual revenue, and recognizes businesses across numerous industries including: energy, real estate, distribution and logistics, hospitality and construction.

This year, the company ranked 64th among the list.

HPI President and CEO, Hal Pontez, is pleased to see the company retaining its position among Houston's best.

"I am pleased to see HPI recognized for a fourth year by the Houston Chronicle. I continue to champion the hard work and dedication of our employees, as well as the support of our loyal customers who have enabled us to maintain this great accolade."

About HPI

HPI is an international rotating equipment solutions company with worldwide resources and four core lines of business: Engineering, Procurement and Construction (EPC), Operations & Maintenance (O&M), Cyber Security and Compliance and Maintenance, Repair, Overhaul and Controls.

The company's services provide customers with custom-engineered solutions that reduce lifecycle costs of heavy and light industrial aeroderivative turbines used in oil and gas, power generation and marine applications.
